## SawStop Retro-Fit Router Table - Compatibility Chart

Base Saw	Fence & Rails Fitted	Saw Wing Type	Purchase Date	Notes re: fitment	Kit	Mounting options
CNS	30" Standard Alloy Fence/Rails	With standard pressed metal wings	All dates	Fitment requires Cast wings upgrade (SST-CNS-CIWA)	SST-RT-30KIT	Mount Left side only
CNS	36" T Glide Fence/Rails	With standard pressed metal wings	All dates	Fitment requires Cast wings upgrade (SST-CNS-CIWA)	SST-RT-30KIT	Mount Left side only
CNS	52" T Glide Fence/Rails	With standard pressed metal wings	All dates	Fitment requires Cast wings upgrade (SST-CNS-CIWA)	SST-RT-30KIT	Mount Left side only
ICS	36" T Glide Fence/Rails	Standard Cast iron wings	2020 onwards	Direct Fitment	SST-RT-ICS-36TG	Mount Right or Left side
ICS	36" T Glide Fence/Rails	Standard Cast iron wings	Before 2020	Fitment requires Rail upgrade (SST-TGI2-R36A) or user modifications	SST-RT-ICS-36TG	Mount Right or Left side
ICS	52" T Glide Fence/Rails	Standard Cast iron wings	2020 onwards	Direct Fitment	SST-RT-ICS-52TG	Mount Right or Left side
ICS	52" T Glide Fence/Rails	Standard Cast iron wings	Before 2020	Fitment requires Rail upgrade (SST-TGI2-R52A) or user modifications	SST-RT-ICS-52TG	Mount Right or Left side
PCS	30" Premium Fence/Rails	Standard Cast iron wings	All dates	Direct Fitment	SST-RT-30KIT	Mount Left side only
PCS	36" T Glide Fence/Rails	Standard Cast iron wings	2020 onwards	Direct Fitment	SST-RT-PCS-36TG	Mount Right or Left side
PCS	36" T Glide Fence/Rails	Standard Cast iron wings	Before 2020	Fitment requires Rail upgrade (SST-TGP2-R36A2) or user modifications	SST-RT-PCS-36TG	Mount Right or Left side
PCS	52" T Glide Fence/Rails	Standard Cast iron wings	2020 onwards	Direct Fitment	SST-RT-PCS-52TG	Mount Right or Left side
PCS	52" T Glide Fence/Rails	Standard Cast iron wings	Before 2020	Fitment requires Rail upgrade (SST-TGP2-R52A2) or user modifications	SST-RT-PCS-52TG	Mount Right or Left side

Identifying SST-RT Compatible TGlide Rails

Before 2020 (early type - non compatible)

front rail

rear rail

Note: Square ends - Less holes

2020 onwards (RT Compatible)

front rail

rear rail

Note: Notched or cropped ends & extra holes

SawStop Combined Saw & Router Table Kits

Base Saw	Fence Option	Notes re: fitment	Kits Required	Mounting Options
CNS	CNS with standard 30" Alloy Fence, Cast Wings and Router Table System		SST-CNS30STD + SST-CNSCIWA + SST-RT-30KIT	Mount Left side only
CNS	CNS with 36" TGlide fence, Cast Iron wings and Router Table system		SST-CNS36-RT	Mount Left side only
CNS	CNS with 52" TGlide fence, Cast Iron wings and Router Table system		SST-CNS52-RT	Mount Left side only
PCS	PCS with standard 30" Premium Fence and Router Table System	Router Table can only mount LHS with 30" Rails	SST-PCS30PREM +SST-R`	Mount Left side only
PCS	PCS with 36" TGlide fence and Router Table system		SST-PCS36-RT	Mount Right or Left side
PCS	PCS with 52" TGlide fence and Router Table system		SST-PCS52-RT	Mount Right or Left side
ICS	ICS with 36" TGlide fence and Router Table system		SST-ICS36-RT	Mount Right or Left side
ICS	ICS with 52" TGlide fence and Router Table system		SST-ICS52-RT	Mount Right or Left side

All kits will require a router mounting method

	Router mounting Option	Notes re: fitment	Item Code
1	SawStop Router Lift	Requires Router Power Unit (RT-RPU2400) or similar	SST-RT-LFT
2	Carbatec Lift & Lock Router Lift - suit Fixed Base Routers	Requires Router Power Unit (RT-RPU2400) or similar	RT-LIFT-FB
3	Carbatec Lift & Lock Router Lift	Suit most Plunge Routers	RT-LIFT-UNI
4	Carbatec Router Mounting Plate	Suit Plunge Routers	RT-MOUNTPLATE

V2.0 (Oct 2022)
